

Corporate Matching & Volunteer Service Hours

Double Your Impact Through Workplace Giving!

Did you know your employer may help you make an even bigger impact—at no extra cost to you? Many companies offer **corporate matching gift programs** or **volunteer service hour matching**, which means your donations or time spent volunteering for Dallas DogRRR could be matched dollar for dollar or even more!

What is Corporate Matching?

Corporate matching gift programs are charitable giving programs where companies match donations made by their employees to eligible nonprofits. It's an easy way to increase your contribution and help more dogs in need.

What is Volunteer Hour Matching?

Some companies also recognize your time! If you volunteer with Dallas DogRRR, your employer might offer a grant or donation based on the number of hours you serve. It's a powerful way to turn your time into tangible support for our mission.

How Do I Get Started?

1. **Ask Your HR Department** – Every company is different. Reach out to your HR or Benefits team to find out if your employer offers matching gifts or volunteer hour grants.
2. **Submit the Necessary Forms** – Most companies have a simple online or paper form to submit your donation or hours.
3. **Let Us Know!** – If your company needs our nonprofit information or a verification form completed, we're happy to help. Just email us at **[insert email address]**.

Your support already means the world to us. Let your workplace help make it go even further!
